

# Do you Suffer from Pain at the Site of a Previous Amputation?

If you are 18 years or older and suffer from **chronic pain** from an **amputated finger or another part of your hand**, you may be eligible to participate in a research study.

A Department of Defense sponsored Regenerative Peripheral Nerve Interface (DoD RPNI) study is taking place at The Curtis National Hand Center.

Ask your doctor/surgeon for more information or contact the study team at 410-554-2486 or 410-554-2687 or via QR code below.
